

AN ENCOURAGING WORD FOR TROUBLING TIMES #147 *(by Rev. Dr. Alice Wolfe,
1/18/21)*

“What only light and love can do...”

A good word for today, this week, and every day:

“Darkness cannot drive out darkness:

only light can do that.

Hate cannot drive out hate:

only love can do that.”

(Martin Luther King, Jr.)

PRAYER:

Jesus, Light of the World, come and live in me and fill me... May your light and love drive out any darkness in me..., and may your light and love shine through me to help drive out darkness and hatred in our nation and world... Amen.
